

SCHOOLS INFRASTRUCTURE

PROJECT
Schools Infrastructure Program

CLIENT
Department of Education – Schools
Infrastructure

PROJECT ROLE
Independent Auditor

PROJECT DURATION
Construction from 2018 to 2021

PROJECT VALUE
\$320 million

The Schools Infrastructure program of works includes the 190 new and upgraded schools to support communities across NSW. WolfPeak have been engaged as the Independent Auditors for seven State Significant Developments including the Inner Sydney High School and Alexandria Park Community School. The Projects will enable the new schools to accommodate up to 7,000 students. The works involve demolition, refurbishment of the existing heritage listed buildings, construction of multi-story buildings, remediation, landscaping and public domain improvements; and augmentation and construction of ancillary infrastructure and utilities as required.

WolfPeak, as the Independent Auditors approved by the Department of Planning Industry and Environment, reviews Project works to verify compliance with the Project Approval and assesses the effectiveness of environmental management and mitigation works.
